- What makes Biochek Baby Wipes special:**
- Made using 98.35% DM Water
 - Contains no added parabens
 - Enriched with extracts and vitamins to keep your baby's skin nourished, moisturized and supple
 - Thoroughly cleanses the body and skin, leaving behind the lingering fresh feeling of having a complete bath
 - Extra soft wipes keep skin feeling smooth
 - Can also be used by adults to feel fresh & clean

- Directions for use:**
-
- Peel front label slowly
 - Pull out wipes as needed
 - Re-seal label after each use to prevent moisture loss
 - Dispose in dustbin Do not flush

Ingredients:

98.35% Deionized Water, Sodium Benzoate, Glycerine, Disodium EDTA, Vitamin E Extract, Aloe Vera Extract, Essential Oil / Extract for Fragrance, Phenoxyethanol & PEG 40 Hydrogenated Castor Oil

Biochek[®] Baby Wipes do not contain any Parabens, and are made using the maximum quantity of pure DM Water. This helps us keep the wipes as free of chemicals as possible for your child's protection. In case you feel that the top wipes feel a little dry, just turn the packet over and squeeze the packet gently to re-distribute the liquid content into all the wipes.

Each pack contains 80 Baby Wipes of size 150 mm x 200 mm
