BIOCHEK[®] BED BATH WIPES

Super Soft

320 mm x 320 mm

ALCOHOL FREE

ENRICHED WITH ALOE VERA & GLYCERINE

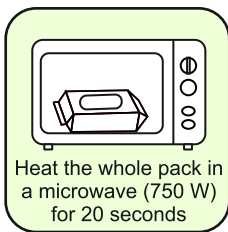

Skin SAFE pH 5.5

Cleanses, Moisturizes & Refreshes

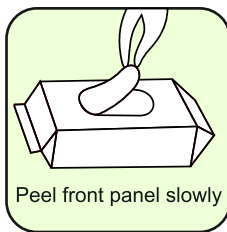

- Ideal for cleansing and refreshing the entire body
- Clean and moisturize the body in one easy step
- Quick & easy to use - saves time and effort
- Eliminates the need for inconvenient traditional methods - bowls, washcloths, soap, lotions and water
- Towel drying not required
- Can be used at room temperature or can also be warmed in a microwave for a more comfortable bathing experience
- Soft, gentle and non-irritating on skin, with skin-safe pH
- Helps reduce cross-contamination
- Keeps skin barrier moisturized and intact, reducing infections

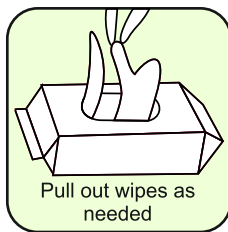

DIRECTIONS FOR USE

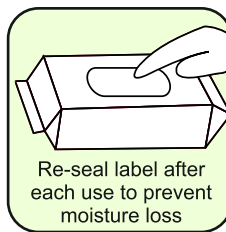

Heat the whole pack in a microwave (750 W) for 20 seconds

Peel front panel slowly

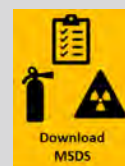

Pull out wipes as needed

Re-seal label after each use to prevent moisture loss

Each pack contains 10 Bed Bath Wipes of size 320 mm x 320 mm

INGREDIENTS: Chlorhexidine 2.00%, Deionized Water, Sodium Benzoate, Glycerine, Aloe Vera Extract, Menthol, Allantoin, Perfume q.s
